

The Doctors Company is fiercely committed to its mission of advancing, protecting, and rewarding the practice of good medicine. We are proud that our employees have helped to make us the nation's leading physician-owned medical malpractice insurance carrier.

We are a financially strong company, with sound management, consistent leadership, and a history of uninterrupted growth. We offer our employees competitive compensation, incentive plans, outstanding career opportunities, an exceptional work environment, and an impressive benefits package.

Due to continuous growth, The Doctors Company is currently seeking three (3) Regional Patient Safety/Risk Managers for various locations in California (position may be considered for telecommuting).

To be considered for the position, please apply on line a [www.thedoctors.com/TDC/Careers](http://www.thedoctors.com/TDC/Careers).

As a Regional Patient Safety/Risk Manager you will develop patient safety programs, identify business growth opportunities; assess patient safety/risk management concepts and professional standards/regulations. Also, you will be highly skilled in professional speaking and writing suitable for publication; provide loss prevention and patient safety services to policyholders and serve as a regional resources for patient safety/risk related issues.

Requirements:

- Seven (7) years experience in healthcare or insurance risk management.
- Excellent communication/presentation and organization/planning skills.
- Ability to work different shifts and varying hours, including overtime and weekends as necessary.
- Thorough knowledge of applicability of relevant laws and regulations.
- Ability to work with senior leadership of multiple organizations.
- Ability to work with diverse personalities.
- Ability to attend meetings and training sessions, make presentations or perform other assignments at locations outside regular office.
- Ability to manage own workflow and set priorities and maintain accuracy while meeting deadlines.
- Ability to effectively influence actions and opinions of others.
- Ability to maintain confidentiality of information processed, as appropriate.
- Ability to write articles using original or innovative techniques or style.
- Ability to write and present effective and persuasive speeches and presentations on controversial or complex topics.
- Ability to use a personal computer and most common MS Office software.
- Ability to travel frequently.
- Bachelor's degree or commensurate experience. Registered nurse or equivalent healthcare education preferred.

The Doctors Company offers an outstanding benefits package that includes medical, dental, vision, prescription, life insurance, business travel accident insurance, educational reimbursement, personal days, 401(k), and flexible reimbursement plans.

We are an equal opportunity employer.
